

Governor's  
Energy Office

Department of Local Affairs

Division of Housing

Colorado Code Consulting  
Energy Codes Support Partnership

## **2009 IECC- Residential Mechanical Overview**

**Presented by Colorado Code Consulting, LLC**

Why are equipment and duct sizing important and what things really make a difference in that sizing? Residential provisions of the International Energy Conservation Code and the International Residential Code will be discussed in addition to how the entire house works as a system.

Instructor: Gil Rossmiller, Town of Parker

Ideal for Code officials and Contractors

February 10, 2012  
9:00 a.m. – 3:00 p.m.
